Testimonial for Ian Mellor
IG Flooring services Ltd

25th April 2016

Dear Ian

Thank you for the work you did at my home recently putting down flooring in the new summer house and downstairs toilet

The work was of a high standard, on time and the cost as agreed and I would have no hesitation in recommending you to any friends of business contacts should they require your services

I will also be using you for some more work in the near future as discussed

Kind regards

Brian Downton
